

October 7, 2013

Prof. Arch. Carmine Gambardella
President BENECON
Director of the Department of Architecture and
Industrial Design
Second University of Naples

Reference: CALL FOR PROPOSALS FOR JOINT RESEARCH PROJECTS AS PART OF SCIENCE AND TECHNOLOGY COOPERATION BETWEEN ITALY AND THE UNITED STATES OF AMERICA FOR THE YEARS 2014 – 2015 (“Progetti di Grande Rilevanza” ai sensi della L. 401/90).

The Edward J. Bloustein School of Planning and Public Policy, Rutgers University, will participate in the call for proposals with the project “Pompeii Knowledge Factory” in partnership with the Centre of Excellence of the Campania Region for Cultural Heritage, Ecology and Economy (BENECON), including four universities of Campania (Second University of Naples, University of Naples Federico II, University of Salerno, University of Sannio) - institutional member of the “Forum UNESCO University and Heritage” - and the Department of Architecture and Industrial Design “Luigi Vanvitelli” at the Second University of Naples. The financing of the project will be covered by the Italian partners.

James W. Hughes
Dean
